

HUNT IN EUROPE.com

Your hunting specialist

- CENTRAL AFRICAN - - REPUBLIC - **Big Safaris** January – May

The hunting concession is located some 400km from the capital city Bangui and it is mainly savannah area alternated by forest areas. The hunting camps are constructed in typical African style with brick walls, cement pavements and grass roofing and they offer a comfortable environment for a good rest after a day out hunting. The best period for hunting the savannah is from January to April while for hunts in the forest the best period is from April to May.
