- CROATIA -

September - January

In Croatia we hunt in three different hunting areas, in the flatlands in the North of the country for European Red Stag, Roe Deer and Wild Boar, in the central area for Bear and the coastal area for Muflon Sheep, which is the only free range area for Muflon Sheep in Europe. Hunting grounds in Croatia are very famous for very large Red Stag and Muflon Sheep. The best period for Red Stag is in the roaring season in September, for Bear October –

November during the full moon and for Muflon Sheep the breeding season in October – November.

Lodging is provided in hunting houses or in small hotels in proximity of the hunting ground.
