Himalayan Ibex

December – February

The hunting area on Himalayan Ibex is situated on the famous Silk Road in the valleys and on the summits of over 3000 meters of altitude. In the period going from December until mid February, the ibexes descend to the valleys for mating and can be hunted without great physical efforts. Shooting distances are over 200 meters. The accommodation is in small hunting houses in the villages with basic services.

There is also an airplane transfer to be counted in.

Rates:

7 hunting days including Himalayan Ibex trophy fee

USD 9.700

Rates Include:

Round trip transfer from the airport of Islamabad or the one nearest to the hunting area, full board in the hunting houses in the area, all transfers in a 4WD or on horseback when possible, assistance of an English speaking interpreter and a local game keeper.
