- KAMCHATKA - **Bear Hunt in Spring** **May 10 - 20**

Spring hunting on the largest brown bear in the world is done with motor sleighs finished off by stalking on foot. Daily 3 to 10 bears can be encountered so that the hunter has the possibility to choose a large trophy.

Transfer is by car from Petropavlovsk (about 8 hour drive) to the heliport in Kozirevsk, in order to proceed by helicopter to the base camp (strictly made of tents or small cabins of professional hunters). From there the hunter starts off in motor sleighs to search for the bears which are perfectly visible on the blinding white of the snow even from long distances.

Rates:

10/8 hunting days, from May 10 - 20, including 1 bear Minimum 4 hunters, each	USD 13.900
Second bear trophy fee	USD 7.000

Rates Include:

Assistance at the airport in the arrival/departure in Petropavlovsk Kamchatskij, ground transfer to the heliport closest to the hunting area, helicopter transfer up to the base camp and back, services of game-scouts and professional guides in the hunting area, camp organization, shooting fee for the 1st bear, use of motor sleighs, first treatment of the trophy, government fees for the organization of the hunt.
