- KAMCHATKA -

Giant Moose

September – October

We have taken a new concession for moose in Kamchatka, some 300km North from Petropavlovsk, in Milkovo area, where the largest moose on the peninsula can be hunted. We are building a new wooden hunting house in the concession, we have bought two rifles with scopes and we organize this hunt during the months of September and October on horseback and in December with snowmobiles. We have very good guides and the

entire infrastructure necessary for this hunt.

Rates:

8/10 hunting days, September, October	USD 8.300
8/10 hunting days, December	USD 9.700
Moose	USD 2.800
Bear	USD 2.800

Rates Include:

Assistance at Petropavlovsk Kamchatskij airport, transfer to the hunting ground, assistance of professional guides during the hunt, use of horses or snowmobiles, use of rifle with scope, organization of the camp, first treatment of the trophy, government taxes for the organization of the hunt.

Rates Do Not Include:

International and national air fares, excess baggage, hotels before and after the hunt, visa, rifle import permit, veterinary certificate, drinks and personal extras.
